Re: Choice Transfer Requests - Due May 15

Dear Parents,

Thank you for choosing to have your child(ren) attend Skamania School. I hope that your child(ren) have had a good year. It is time for us to begin planning for the 2019-20 school year. As a choice transfer family, it is necessary for you to reapply annually by doing the following:

Step 1: Return the completed choice planning form (enclosed) to your resident school district by May 15th. (One per student)

Step 2: Call the office or complete and return the bottom portion of this note to Skamania School District by May 15.

We will continue with our STEM focus next year. In order to keep classes small, we will continue to have four mixed-age classes. Due to Mrs. Miller's retirement, Mrs. Neth and Mrs. Locke will team teach our 5th/6th grade class. We are exploring the options to employee a counselor as part of our team, along with the current music and PE specialists.

With the increased interest in our school, we will be following board policy in regards to the consideration of choice requests. Priorities will go to existing students, and acceptance may be based on attendance and safe behavior. If you have questions about next year, please feel free to give me a call.

Regards,
