Enrollment/Funding Update

Charles from ESD 112 is basing the additional funding off 71 students. However, the actual number is closer to 74 or 75 students. With the additional students comes additional funding with a projected number of \$175,000. This additional funding will allow for more flexibility .

There still is not a driver for the first week of the school year. Skamania School will have a driver (Mary) that will start after the 6th of September. Dr. Dennison shared that there is a possibility of another driver that may be looking for work closer to this area. Until Skamania has additional drivers Amber and Mary are looking at a reinvention of the routes.
