GOAL SETTING FOR THE 2023-2034 SCHOOL YEAR

- Review Progress on the 2022-2023 Goals
 - The board reviewed the 2022-23 goals and agreed to continue with the following key points:
 - Quality Education
 - Mr. Anderson requested that we get updates from some of our former students. How many have gone on to college, career choices, etc. **
 - Mrs. Young suggested we do an annual review of curriculum and replace as needed. Mrs. Chavarria mentioned our Social

Studies curriculum is outdated and our Science program through ESD 112 is ending. Mr. Collins recommended that we look into reviewing and replacing our Science and Social Studies curriculum.**

- Leadership
 - Financial Stewardship
 - Public Relations and Communications
 - Long-term Facility Planning
 - Donald requested that we look into having the portable classrooms assessed to find out what the remaining lifespan we have
 - Legislative Support
 - Mrs. Young recommended we tie Legislative Support in with Public Relations and Communications.
-
- Discuss Revisions to Present Goals
 - The board agreed to revisions to the key points. Please see revisions attached.
 - Discuss Addition of Goals for 2023-2024

BOARD/SUPERINTENDENT WORKING AGREEMENT

- Review and Discuss changes to the Agreement.
