Mr. Dennison asked that Board members consider the cost increase of the insurance premiums while looking at raises for certificated and classified staff members.

- Bus Update and Recommended Next Steps

Mr. Dennison shared that he had outlined options for the bus in his board notes. White Salmon has shared that the cost to fix bus #3 will be \$4,700 and that it can't guarantee any underlying problems. The other option is to purchase bus #10 from White Salmon, which was driven all last year by one of Skamania's bus drivers without mechanical issues. Bus #10 would be a backup bus since Skamania School has been using the electric school bus for both morning and afternoon runs.
